Wednesday 2 August 2017 - Term 3 Week 3

Dear Parents,

Lots of terrific things happening again at Prairievale PS.

Keep up to date on our website: <http://www.prairieval-p.schools.nsw.edu.au/>

Or search on Facebook "Prairievale Public School"

Welcome to Education Week 2017.

Education Week is a state-wide, annual event to celebrate public education in NSW.

The week highlights the achievements of public education and local schools, putting the spotlight on our students, our educators and the communities that support them.

Every student, every teacher, every leader and every school will improve every year.

High expectations for all

A culture of high expectations for our students and our educators sets high standards, which leads to high achievement.

Personalised student learning

By teaching to the strengths and needs of each individual, students will be better able to reach and exceed their potential.

Wellbeing

Every student will be known, cared for and respected.

Creating stronger ties with local communities

Parents and carers are our schools' partners in the education and wellbeing of each student. Partnerships with local businesses and industry create opportunities for our students to contribute to and thrive in society.

Staffing

We'd like to welcome back Mrs Noonan who returned this week from maternity leave. She will be working in Stage 3 and with the Early Career teachers for the remainder of the year.

Transition to School

Our Transition to school program started last week for some of our 2018 Kindergarten students. This great program works with students and their parents to teach starting school skills as well as beginning to learn basic reading and writing skills. This program will continue in Term 4, if anyone would

school as soon as possible to arrange enrolment.
Places in our Term 4 Transition to School Literacy program are also filling fast.
So this would be an excellent opportunity to also put their name down for this exciting program.

Swim Scheme

Please be aware that all swim scheme places have now been filled. Thank you to all those families who returned their notes and money.

Parks Music Festival

On September 5 and 6 we will be participating in the Parks Music Festival with other local schools. Our school will be represented by the choir, junior and senior dance and the Spanish Dance group.

Have a terrific fortnight,

Nikki Perrin

get to know them better. Last time we interviewed school prefect, Clement and now we are interviewing Trisha – another prefect on the leadership team. So let's get to it...

What motivated you to run for a school leader?

"I really just wanted the experience of being a school leader. To, you know, see what's going on behind the scenes. I like to help out and being a school leader makes it easy to achieve that goal."

Do you have any advice for anyone who wants to be a leader next year?

"I don't really know of many useful tips, but I do know some traits in mind that will help you possibly become a leader and an all round better person. Having manners and showing respect towards others is a major thing that I think can not be beaten. Though just being nice is a great way to improve."

What is your most memorable moment at Prairievale?

"My most memorable moment at Prairievale would have to be running the mini fete with my friends last year. We set up a hairspray stall and had a lot of fun doing it."

How do you think being a school leader is more than just the badge and the jacket?

"Well, I really enjoy leading the school and setting an example, being a good role model for the younger students. That's really why I think being a school leader is more than just the badge and the jacket."

Do you think being a leader has helped you become a better person? Explain your answer.

"I honestly think that becoming a school leader has made me a better person in a few ways, I feel like it has made me more responsible and allows me to believe in myself more. I also know that it has definitely made me a more confident person."

Are you looking forward to high school? If so, what are you looking forward to most?

"I am definitely looking forward to high school because I'm looking forward to meet new people and although I know I'll have to leave a lot of great things behind I'm actually really excited."

August
